

Kelvin Macwan

Web & UI/UX Designer

@kelvinmacwan007

With over 3 years of experience as a Web and UI/UX Designer, I have worked on a variety of projects, from small companies to large corporations. I have experience creating wireframes, prototypes, and final designs as well as programming in HTML, CSS, JavaScript, and JQuery. I have also conducted user research and usability tests. In addition to my design work, I have managed projects and teams of designers.
